Re: Paul Trummel vs Mitchell/  
Council House vs Trummel  
King County Superior Court  
cause number 01 2 04698 5 SEA

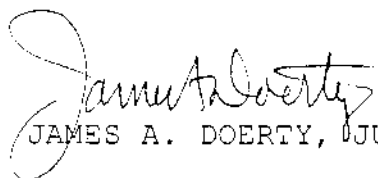

To Her Majesty's Consul:

It has come to the court's attention that the consulate has made enquiry concerning the status of Paul Trummel. The court wishes to extend the courtesy of prompt reply to Her Majesty's Consul. Enclosed are copies of some pertinent documents from the case that has been before this court. These and all other papers are available in the clerk's file which is a public record.

The question posed to the court on behalf of the consul was, if Mr Trummel As a King County prisoner does not have access to a computer, how can he comply with the court's contempt order; the answer is that he can authorise someone not in custody to act on his behalf, furnishing them with codes, etc. A hearing to review his status as to compliance with the court's 26 October 2001 order is scheduled for WEDNESDAY 3 APRIL 2002 at 9.00 a.m. If he is in compliance before then, he can contact the court to request earlier hearing.

The court would like to be informed whether Mr Trummel is a British citizen and if he is, his status with United States INS now and at the times since the court first acquired jurisdiction over him in April 2001 when he began the above-referenced case by bringing an unmeretorious petition against Mitchell/Council House.

Very truly yours,

  
JAMES A. DOERTY, JUDGE
